All students filling this proposal form should be science students, as stated in Article 3.1 of the statute:

"Students duly registered at the Faculty of Science at the University of Malta as a student and recognised as such by the University Authorities are recognized by S-Cubed as a science students."

I would like to nominate Romario Catania for S-Cubed Student Recognition. During this year Romario Catania has shown the utmost commitment to the organisation and went the extra mile whilst carrying out his duty as Public Relations Officer. Romario was also very actively involved in the Education and Science Communication sector of S-Cubed especially in subjects involving Maths and Statistics.
