

## **Proposal for S-Cubed 2019-2020**

### **Advisory Board**

*“The advisory board may be chosen in an AGM or EGM and is to be confirmed six (6) months after every AGM or EGM through a two-thirds (2/3) vote in an executive meeting. It shall consist of 3 science students but not members of the EB.”*

The president is given a statutory right to reject a decision or proposal made by a lawmaking body or a majority of the executive. However before using such a right , a 2/3 majority of the advisory board must be in agreement with his reasoning before such a veto can be exercised.
